This will start the enrollment process that follows. You can either enroll only yourself or multiple members from your team that will attend the course. If you have not previously registered for a course, you will need to fill out information to create an account in the Learning Management System that will track your course enrollment history. If you have registered in our system previously, then continue with your existing account (see Figure 3).

You must have a valid account before adding this course to your shopping cart.

To register an account first, click [Register Here](#) ← **New User**

To login to an existing account, click [HERE](#) ← **Existing User**

Figure 3. Account Access

All new users need to provide us with information about themselves so that we can contact them with any information relative to published courses, including registration information, schedule changes, cancellations, and course location information. Complete the form and click 'Submit' (see Figure 4). All existing users bypass this page.

The screenshot shows the 'User Registration' form on the Wind River website. The form is titled 'WIND RIVER' and includes a navigation menu with links for Solutions, Products, Services, Partners, Customers, Education, Support, and Company. Below the navigation menu, there is a note: '* Indicates Required Field'. The form fields are as follows:

- Email *
- First Name *
- Last Name *
- Password * (Case sensitive, longer than 5 characters)
- Confirm Password *
- Address Line 1 (No PO Box) *
- Address Line 2
- City *
- Country * (with LIST and CLEAR buttons)
- State/Province * (U.S. and Canada only) (with LIST and CLEAR buttons)
- ZIP Code *
- Phone *
- Company *
- Fax
- License
- Title

At the bottom of the form, there is a note: '* Mandatory Fields' and a message: 'Your email address will be your User ID. A registration confirmation will be sent to this address.' Below this message is a 'Submit' button with a red arrow pointing to it.

Both new users and existing users arrive at their 'Shopping Cart'. From this point, you will need to (see Figure 5):

- 1) Verify the correct course is in your shopping cart.
- 2) Select the payment method—Credit Card, Purchase Order or Services Credits
 - a. Credit Cards--card information will be required in the next screen
 - b. Purchase Order payments will require the Purchase Order Number
 - c. Education Credit requires the product License Number
- 3) If everything is correct, click 'Finalize Purchases'
- 4) If you intend to register more students than yourself, click on 'HERE' above 'Finalize Purchases' and the system will allow you to add students within the session.

At this point, your attendance will be reserved for the course. If you have paid by Credit Card, and your card was successfully accepted, you will automatically receive a 'confirmation' email. If you have selected any other payment method, your reservation is held for you until payment can be verified. In this case, you will automatically receive a 'reservation' email and upon confirmation of receipt of payment, you will receive a 'confirmation' email with course details.

For Credit Card payments, you will be transferred to another site to handle the transactions. There will be a total of 4 screens that you will go through to complete the transaction, provided that your credit card information is correct and that the transaction is accepted. If, at any point, the credit card transaction is disallowed, you will not be confirmed in the course.

The first screen that you will see is an informational screen on Wind River's web site notifying you that you will be transferred to another site. Click on 'Click here to Begin Processing' to start the process (see Figure 6).
